International Scientific Conference Management of Technology Step to Sustainable Production

MOTSP 2009

CALL FOR PAPERS

June 10–12, 2009

Hotels Resort Solaris

Šibenik, Croatia

International Conference "Management of Technology – Step to Sustainable Production" (MOTSP 2009), will take place from 10-12 June 2009 as a common project organized by the Faculty of Mechanical Engineering and Naval Architecture, University of Zagreb, Croatia and the Faculty of Management, University of Primorska, Koper, Slovenia.

The main objective of this International Conference (MOTSP 2009) is to meet international experts from academic entities, research laboratories and industries related to the field of Management of Technology and Sustainable Production. The Conference will also provide a platform for sharing knowledge, ideas and results between science and industry.

We consider the management of technology, the stimulation of innovation and invention and the transfer of technology as important challenges of the developed countries and countries in transition.

MAIN TOPICS

Management of Technology
Production, Operation Management
Strategic, Engineering Management,
Industrial Engineering

- Operational Research
- Logistics
- Production Economics
- Decision and Risk Analysis
- Manufacturing Costs
- Supply Chain Management
- Total Quality Management
- Forecasting, Technology Foresight
- Business Intelligence
- Maintenance, etc

Rapid Prototyping and Manufacturing
Computer Integrated Manufacturing CAD, CAM, CAPP, CAQ,
Artificial Intelligence
Total Cost Assessment
Sustainable Production

- Product Lifecycle Management (PLM)
- Green Production (BAT)
- Clean Production
- Eco Design
- LCM (Life Cycle Management) & Decision Supports
- LCA (Life Cycle Assessment)
- LCI (Life Cycle Inventory)
- LCIA (Life Cycle Impact Assessment)
- Extended Products
- SLCA (Social Life Cycle Assessment)
- Renewable Sources of Energy Energy Efficiency and Audit
- Energy Efficiency and Audit

- Eco Labeling
 - Recycling
 - Reverse Logistics
- Social Responsibility
